This publication will be made available in alternative formats upon request. Please contact the Department of Fish and Game for assistance.

Information in this brochure summarizes the rules and is the official proclamation of the Idaho Fish and Game Commission for the taking of deer, elk and pronghorn. The official rules are available from the Office of Administrative Rules, Department of Administration, Statehouse Mail, Boise, ID 83720, and may be reviewed in some libraries. Maps are for general reference only.

Costs associated with this publication are available from Idaho Fish and Game in accordance with Section 60-202, Idaho Code. 4-2012/325,000/41918.

Getting Started

To use this brochure:

- Pick the species you want to hunt, then refer to the section on that animal.
- Refer to the map on pages 88 and 89 to find an area to hunt.
- Find the unit numbers on the map and look up the seasons and restriction for those units.
- For help in this process, try the online Hunt Planner at the Fish and Game website <http://fishandgame.idaho.gov>.

Big game hunting in Idaho is regulated by numbered **game management units**. For a map of Fish and Game regions and game management units see pages 88 and 89.

General seasons for black bear, mountain lion, mule deer and white-tailed deer are arranged by these units.

Some seasons labeled **regular deer** include mule deer and white-tailed deer, other seasons are labeled **white-tailed** deer only.

General seasons for elk are arranged by larger areas called elk management zones, which are made up of one or more game management units. For a map of elk zones see page 29.

General seasons for gray wolf are arranged by larger areas called wolf management zones, which are made up of one or more game management units. *Wolf management zones are not the same as elk management zones.* For a map of wolf zones see pages 66 and 67.

Controlled hunts are listed by hunt numbers for controlled hunt areas, which consist of parts of one or more game management units.

Controlled hunt areas for deer are not the same as controlled hunt areas for elk or pronghorn or black bear.

For an explanation of controlled hunts and how to apply see pages 82-84.

When picking a controlled hunt, make sure to use the hunt number from the current year's rule book.

Detailed big game hunting rules and restrictions begin on page 73. License requirements and fees begin on page 100.

Note on licenses and tags:

A **hunting license** is required to hunt. A **trapping license** is required to trap gray wolf. In addition a **tag** is required for all big game species.

Helicopter Surveys: Hunters may encounter biologists conducting helicopter surveys during late season hunts December – March. They will try to avoid flying where hunters are observed.

What's NEW?

- Gray wolf hunting and trapping seasons are now included in this Big Game Seasons and Rules booklet. See pages 66-69.
- Wolf hunters may now purchase up to five wolf hunting tags per calendar year. Up to five tags may be used in the Panhandle, Palouse-Hells Canyon, Lolo, Selway, Dworshak-Elk City, and Middle Fork wolf management zones. No more than two wolf hunting tags may be used in the other wolf management zones. See page 68.
- Wolf trappers may now purchase up to five wolf trapping tags per trapping season. Up to five trapping tags may be used in the Panhandle (Units 1, 4, 4A, 5, 6, 7 and 9 only), Lolo, Selway, Dworshak-Elk City, and Middle Fork Zones. No more than three wolf trapping tags may be used when trapping season is open in Units 19A and 25 in the McCall-Weiser wolf management zone. See page 69.
- General season antlerless elk hunts have been eliminated from the Panhandle elk management zone. Either-sex controlled hunt elk tags are available in some units. See page 45.
- Hunters may now use a second black bear tag in game management units 4, 6, 7 and 9. See page 60.

Bear Identification

All bear hunters are encouraged to learn to identify black bears and grizzly bears in the wild. Check out the bear identification training program that is available on our website at: <http://fishandgame.idaho.gov/public/education/bearIdentification/>

It is the responsibility of the hunter to become familiar with the rules that affect the hunt in which he or she is participating. This brochure provides seasons for general and controlled hunts, and it provides a summary of rules that govern big game hunting in Idaho. For details about the rules, please refer to these links:

- **Idaho Administrative Procedures Act**, <http://adm.idaho.gov/adminrules/rules/idapa13/13index.htm>
- **Idaho Code** <http://legislature.idaho.gov/idstat/Title36/T36.htm>

Mandatory Report Requirements: All deer, elk and pronghorn hunters are required to complete a **Mandatory Hunter Report** for each tag they purchase. Hunters are required to submit a report by phone or internet within 10 days after harvest. Hunters who do not harvest, or did not hunt, are required to report within 10 days after the close of the hunting season.

The best way to submit hunt information and the only way to get confirmation that the report was received is to report online. Go to: <http://fishandgame.idaho.gov>

To submit by phone to a live operator, 24 hours a day, 7 days a week call toll free 1-877-268-9365.

Note: This brochure covers only rules for hunting deer, elk, pronghorn, black bear, mountain lion and gray wolf. Information about hunting upland game, turkey, furbearer, waterfowl and moose, bighorn sheep or mountain goat can be found separately in the Upland Game, Furbearer and Turkey, the Waterfowl, or the Moose, Bighorn Sheep and Mountain Goat rules brochures.

2012 Deer Hunting Seasons

Hunters with valid Idaho licenses and tags in their possession can hunt mule deer and/or white-tailed deer.

How many deer can I harvest? In general, the answer is one deer per hunter per year. However, a few controlled hunts and depredation hunts offer the opportunity for hunters to harvest additional deer. Deer hunters also may buy leftover nonresident deer tags at the nonresident price to harvest a second deer. A hunter may take only one deer per valid legal tag in his or her possession.

Note: Residents or nonresidents may buy one unsold nonresident general season deer and elk tag at the nonresident price starting August 28, to be used as a second tag.

Youth hunt only: Some deer hunts are for youth only. Only hunters 12-17 years of age with a valid license and tag may hunt antlerless deer in these hunts.

Antlered deer: Deer with at least one antler longer than 3 inches. In antlered only seasons, or any hunt with point restrictions, antlers must accompany the carcass while in transit.

Antlerless deer: Deer without antlers or with antlers shorter than 3 inches may be taken in a season open for antlerless deer or either sex.

Two-point deer: Deer with no more than two points on one side, not including the brow point or tine, and at least one antler longer than 3 inches. A point is an antler projection that is at least 1 inch long and longer than the width of the projection.

Three-point deer: Deer having at least one antler with three or more points, not including the brow point or tine.

Species identification: In seasons restricted to mule deer only or white-tailed deer only, if the head is removed, the fully-haired tail must be left naturally attached to the carcass.

Archery and Muzzleloader Permits

Any person hunting in an archery-only season, including controlled hunts, must have their license with archery permit validation.

Any person hunting in a muzzleloader-only season, including controlled hunts must have their license with muzzleloader permit validation.

Nonresident Deer Tag for Black Bear, Mountain Lion or Gray Wolf

Nonresident deer and elk tags, **excluding** nonresident junior mentored deer and elk tags, are valid to take a black bear, mountain lion or gray wolf instead of a deer or elk, if a season is open for that species, where and when the deer or elk tag is valid, and if there is an open deer or elk season in that same unit. See page 86.

Attention Deer Hunters!

Deer hunters may choose either a regular deer tag or a white-tailed deer tag. The regular deer tag is valid for **any** hunt listed under “2012 Regular Deer Tag Seasons” on pages 9-13.

The white-tailed deer tag is valid for white-tailed deer **only**, for any hunt listed under “2012 White-tailed Deer Tag Seasons” on pages 14-17.

Legal Deer in Two-Point Hunts

Spike Deer

Legal buck under 2-point regulations at least 1 antler is 3 inches or longer.

1 x 2 Point Deer

Legal buck under 2-point regulations.

2 x 2 Point Deer

Legal buck under 2-point regulations. Not legal in 3-point or 4-point hunts.

2 x 3 Point Deer

Legal buck under 2-point regulations. Also legal under 3-point regulations.

Point must be 1 inch or longer.

DEER

Characteristics of a mule deer

CAUTION!

Antlers on yearling buck white-tailed and mule deer may look similar.

WIN THE HUNT OF A LIFETIME

Every year, 32 lucky hunters walk into the field with special **Super Hunt** tags in their pockets. These tags allow a hunter to pursue an elk, deer, antelope or moose in any open hunt in Idaho. Hunters who have won this privilege call it a "hunt of a lifetime."

The thrill is quadrupled for two **Super Hunt Combo** winners who are able to hunt all four species in any open hunt. This unqualified freedom to pursue world-class big game in Idaho is an experience winners will long remember.

One entry for as little as \$6 offers you the chance to win in the Super Hunt drawings. When you buy more, you receive a discount.

- A single **Super Hunt** entry for a specific species costs \$6, then each additional entry at that time for the same species is \$4.
- A single **Super Hunt Combo** entry costs \$20 and each additional entry costs \$16 purchased at one time.

Super Hunt tags are in addition to any general and controlled hunt tags a hunter has applied for or may already hold. All other rules of individual hunts apply.

Stories from Super Hunt winners and additional information can be found on Idaho Fish and Game's website:

<http://fishandgame.idaho.gov/public/hunt/supershunt>

How to Enter

- ✓ Fill out the entry order form.
- ✓ Mark the species you hope to hunt and the number of entries you want.
- ✓ Add up the fees and make a check payable to Idaho Department of Fish and Game.
- ✓ Send the order form along with the check to Idaho Fish and Game headquarters at: **IDFG License Section, P.O. Box 25, Boise, ID 83707**
- ✓ Idaho Fish and Game **will enter** the number of entries you've requested and send you a printed receipt with your ticket numbers.

Tickets are available from Fish and Game offices, license vendor and over the phone at 1-800-554-8685 or at http://fishandgame.idaho.gov/buy_online. Online and telephone vendors add additional processing fees.

Super Hunt Drawings

Idaho Fish and Game has two Super Hunt drawings, one in June and another in August. Hunters may enter both drawings as many times as they like.

Entries for the **first drawing** must be received at Fish and Game headquarters **no later than May 31**. Winning numbers will be drawn in June.

Entries for the **second drawing** must be received at Fish and Game headquarters **no later than August 10**. Winning numbers will be drawn in August.

Outfitted controlled hunts:

Before submitting an application for an outfitter-allocated controlled hunt, hunters must have a written agreement with an outfitter licensed in the hunt area. Successful applicants must hunt with an outfitter licensed for the hunt area. The outfitter must purchase the hunter's permit and tag by August 20. Successful applicants authorize Idaho Fish and Game to provide names and addresses to the outfitters licensed for that controlled hunt. For a list of licensed outfitters in the applicable controlled hunt area, a sample written agreement, and additional information contact the Idaho Outfitters and Guides Licensing Board at their website - www.oglb.idaho.gov or by calling 208-327-7380.

ELK

Elk populations are constantly changing in response to weather, predation, land management, fire events and development. To maintain elk hunting experiences desired by sportsmen, the Idaho Department of Fish and Game must manage herd sizes within desired ranges, provide high quality hunting opportunities, maintain availability of general hunts, and minimize depredations on agricultural lands, by adjusting hunting seasons and hunter numbers. Fish and Game also works closely with land owners and managers to ensure high quality elk habitat is found throughout the state.

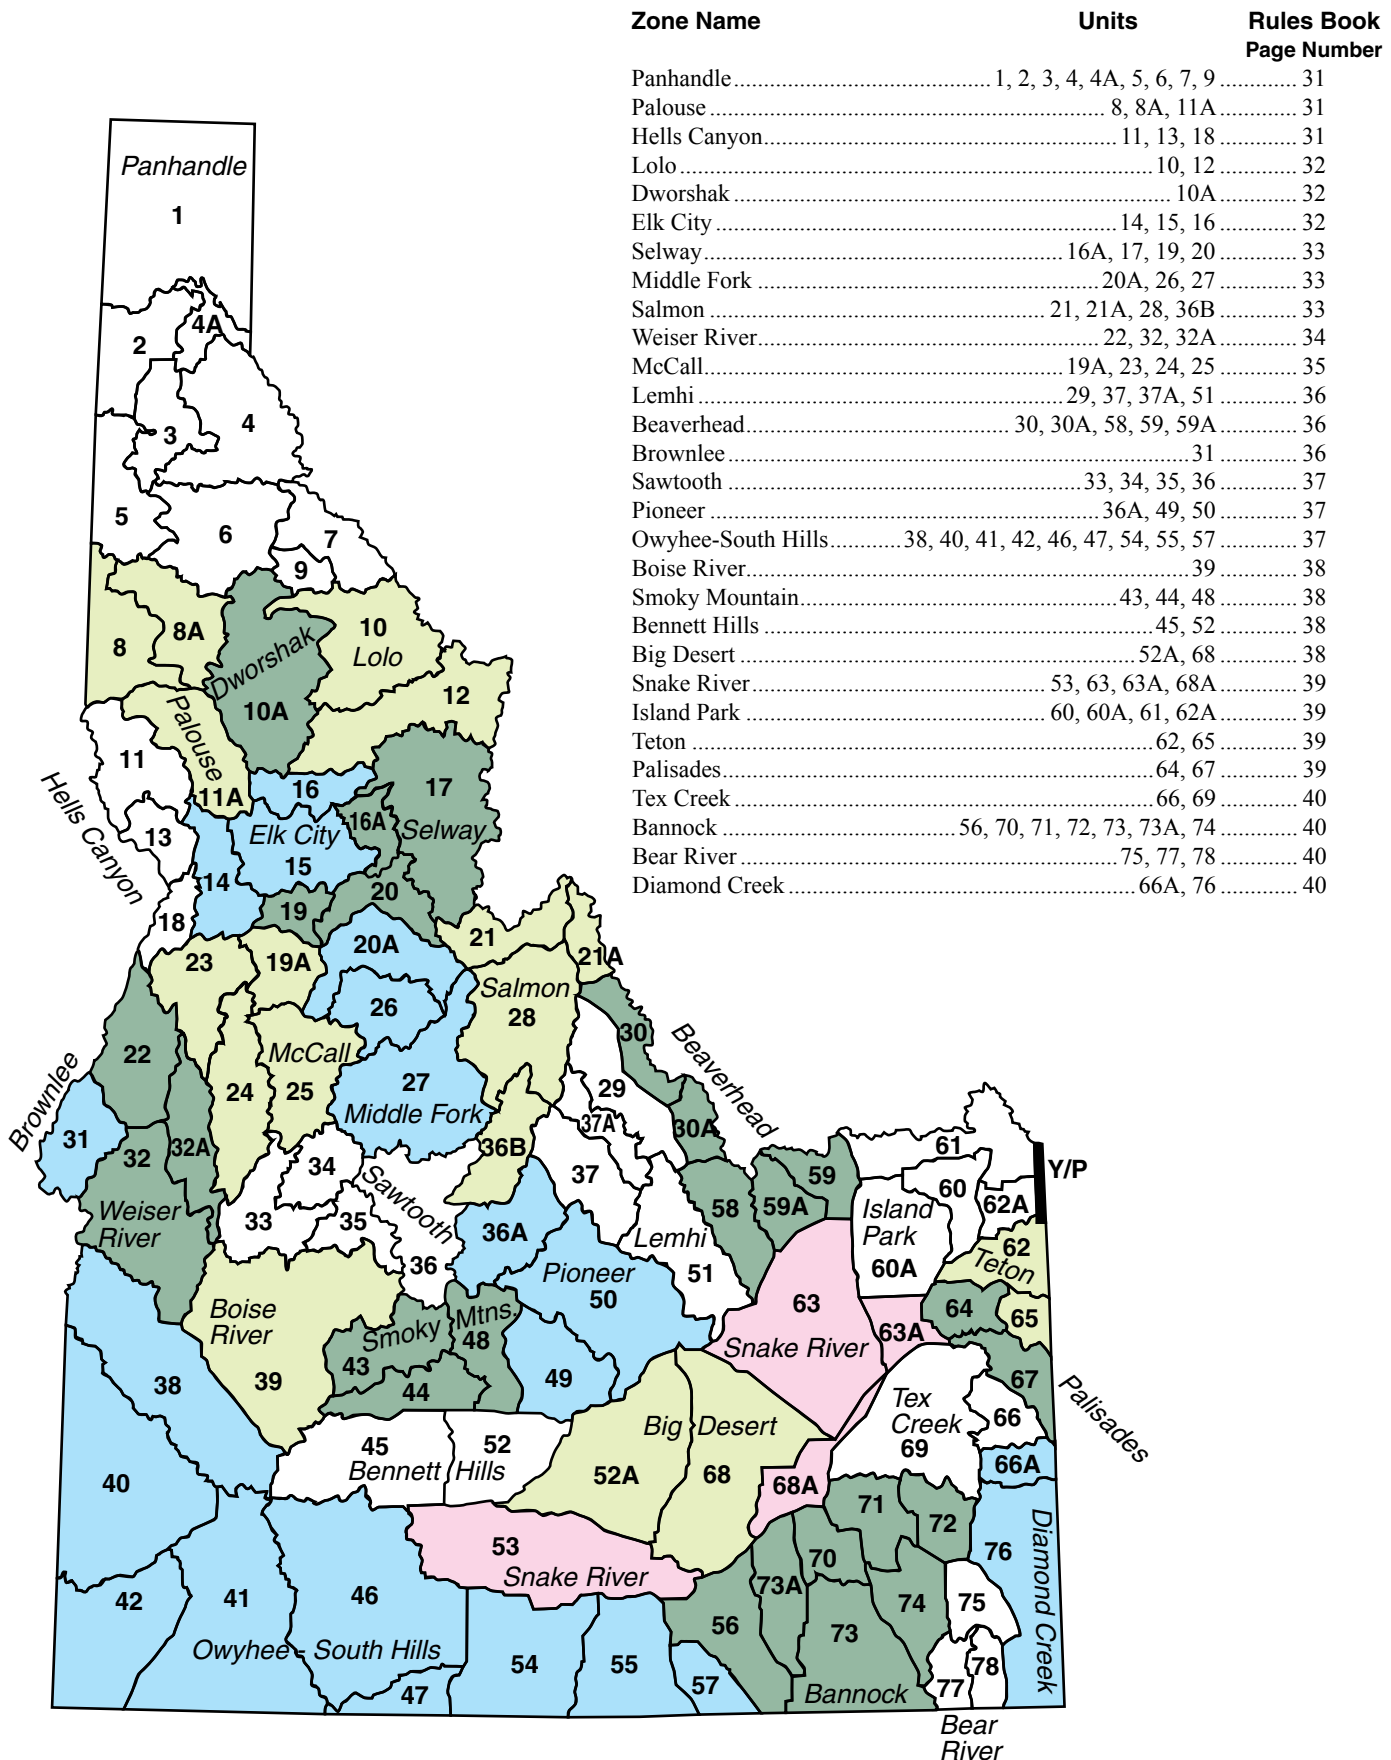

Currently, elk herds meet or exceed management objectives in 19 of 29 elk management zones, and provide hunting opportunities ranging from trophy bulls to extra cow hunting opportunities to meet objectives. In the remaining 10 zones, Fish and Game is working hard to improve elk survival to allow elk herds to meet objectives, including cutting back on some hunts and implementing programs to reduce predation.

Changing conditions and management challenges are part of the landscape, but with responsive management and more than 100,000 elk, Idaho continues to provide a variety of elk hunting opportunities desired by sportsmen.

Elk Management Zones

2012 Elk Hunting Seasons

Elk hunting is managed in 29 elk zones. In addition, Fish and Game has established a two-tag system to offer elk hunters the most general season choices. Hunters may select one zone and choose either an “A tag” or a “B tag” for that zone. A few zones offer only an A tag.

In general, A tags provide more opportunity for muzzleloader and archery hunters, and B tags provide more opportunity for centerfire rifle hunters.

Controlled hunts, allocated by random drawing, also are available in most of the state.

Any person who receives a controlled hunt tag for elk is prohibited from hunting in any other elk hunt, **except** for depredation hunts, extra antlerless elk hunts or by buying a leftover nonresident elk tag, if available.

Note: Residents or nonresidents may buy one unsold nonresident general season deer and elk tag at the nonresident price, starting August 28, to be used as a second tag.

Antlered elk: Only elk with at least one antler longer than 6 inches may be taken in any season which is open for antlered elk only. In antlered seasons, including spike-only, antlers must accompany the carcass while in transit.

Antlerless elk: Only elk without antlers or with antlers shorter than 6 inches may be taken in any season which is open for antlerless elk only.

Spike elk: Only elk with no branching on either antler and at least one antler longer than 6 inches may be taken in any season which is open for spike elk only. A branch is an antler projection at least 1 inch long and longer than the width of the projection.

Brow-tined elk: Only elk having at least one antler with a visible point on the lower half of the main beam which is 4 inches or greater in length may be taken in any season open for brow-tined elk only.

Archery & Muzzleloader Permits

Any person hunting in an archery-only season must have their license with archery permit validation. In a muzzleloader-only season, hunters must have a muzzleloader permit validation - including controlled hunts.

Resident Youth General Elk Tag

Resident youth elk hunters who purchase a general season elk zone tag while they are between ages 12 and 17, inclusive, may participate in any A or B tag elk season within the specified zone, regardless of whether they purchased an A tag or B tag. All other season, weapon restrictions, and commission rules apply. Controlled hunts are excluded.

Nonresident Elk Tag

Nonresident elk and deer tags, **excluding** nonresident junior mentored elk tags, are valid to take a black bear, mountain lion or gray wolf instead of an elk, if a season is open for that species, where and when the elk tag is valid, and if there is an open elk season in that same unit. See page 86.

Legal in spike elk hunts

Spike Elk

One antler must be at least 6 inches or longer. (Not legal in brow-tined elk hunts.)

Not legal in spike elk hunts or brow-tined elk hunts

Branch antlered bull (or larger)

Not legal for spike-only hunts if branched point is longer than 1 inch.

Antler branch is a projection 1 inch or more in length.

Legal in brow-tined elk hunts

Caution - Archers: “Any weapon” antlerless elk hunts will be open on or within one mile of private fields on which cultivated crops are currently growing, in all or parts of the following zones: Palouse, Weiser, Lemhi, Beaverhead, Pioneer, and Smoky Mountain. Additionally, an any-weapon controlled hunt occurs from August 4 - September 15 in a portion of Unit 48 (see Hunt No. 2102, page 45). Please use appropriate caution.

Outfitted controlled hunts:

Before submitting an application for an outfitter-allocated controlled hunt, hunters must have a written agreement with an outfitter licensed in the hunt area. Successful applicants must hunt with an outfitter licensed for the hunt area. The outfitter must purchase the hunter's permit and tag by August 20. Successful applicants authorize Idaho Fish and Game to provide names and addresses to the outfitters licensed for that controlled hunt. For a list of licensed outfitters in the applicable controlled hunt area, a sample written agreement, and additional information contact the Idaho Outfitters and Guides Licensing Board at their website - www.oglb.idaho.gov or by calling 208-327-7380.

For details on controlled hunt rules and restrictions please see pages 82-84.

Elk Controlled Hunt Area Descriptions

Hunt Area 1 — All of Unit 1.

Hunt Area 2 — All of Unit 2.

Hunt Area 3 — All of Unit 3.

Hunt Area 4 — All of Unit 4.

Hunt Area 5-1 — All of Unit 5.

Hunt Area 5-2 — That portion of Unit 5 south of Elder Road and Sun Up Bay Road.

Hunt Area 8-1 — That portion of Units 8 and 8A north of the following line: Beginning at the western boundary of Unit 8 at its junction with State Highway 8, then east on Highway 8 to State Highway 9, then northwest on Highway 9 to State Highway 6, then north on Highway 6 to the Unit 8A boundary.

Hunt Area 8-2 — That portion of Units 8 and 8A south of the following line: Beginning at the western boundary of Unit 8 at its junction with State Highway 8, then east on Highway 8 to Forest Service Road 1963 at Helmer, then south and east on Forest Service Road 1963 to Long Meadow Creek, then southeast along Long Meadow Creek to Dworshak Reservoir, then east along the shoreline of Dworshak Reservoir to the Unit 8A boundary at Dent Bridge.

Hunt Area 8X — All of Units 8, 8A, and 11A outside the National Forest System Boundary within 1 mile of private fields on which cultivated crops are currently growing. The National Forest System Boundary is a legislatively set boundary — it is not necessarily the boundary of Forest Service property. State, private and other lands within the National Forest System Boundary are not open to hunting during this season. (Please refer to a U.S. Forest Service map for the location of this boundary.) “Private fields on which cultivated crops are currently growing” is defined as: fields on which soil has been used or broken up for the raising of crops, and artificially irrigated pasture. “Currently” means during the current or most recent growing season. Lands enrolled in the Conservation Reserve Program (CRP) or other set-aside farm programs are specifically excluded.

Hunt Area 10A-1 — That portion of Unit 10A west of the Clearwater National Forest boundary, south of Forest Service Road 250, south of State Highway 11 from Pierce to Weippe, and Jim Ford Creek from Weippe to its junction with the Clearwater River.

Hunt Area 11-1 — All of Unit 11.

Hunt Area 11-2 — That portion of Unit 11 within ONE mile of cultivated fields and north and east of the following boundary: Beginning at the Unit 11/13 boundary at the Nez Perce County/Lewis County line, then north on the Nez Perce County/Lewis County line to Soldiers Meadow Road, then west on Soldiers Meadow Road to ZaZa Road, then north on ZaZa Road to Waha Road, then north on Waha Road to Redbird Road, then west on Redbird Road to the boundary of the Craig Mountain WMA, then north and east along the Craig Mountain WMA boundary to the Snake River, then north along the Snake River to the Unit 8/11 boundary.

Hunt Area 11A — All of Unit 11A.

Hunt Area 13 — All of Unit 13.

Pronghorn Controlled Hunts

For details on controlled hunt rules and restrictions please see pages 82-84.

Hunters: Please check Controlled Hunt Area descriptions on page 57. Hunt Areas may change annually.

All pronghorn hunting, including archery seasons, is by controlled hunt.

Doe or fawn only: Only pronghorn without a black cheek patch or with horns less than 3 inches long may be taken during doe or fawn only pronghorn seasons. To participate in an archery only pronghorn hunting season, hunters must have in their possession an archery permit in addition to required license and tag.

Attention Pronghorn Archery Hunters! Don't give your sport a black eye. Did you know that leaving blind material is considered littering? And, digging pits on federal land is a violation of federal law? For more information on how to construct a legal blind, see page 74 or contact your local Bureau of Land Management office.

Capturing Black Bears: No person may trap, snare or otherwise capture or hold black bears.

Mandatory Check and Report: Any hunter killing a black bear must, *within 10 days of kill*:

- Present the skull and hide to an Idaho Fish and Game regional office, official check point, or a Fish and Game conservation officer for removal and retention of a premolar tooth and to have the hide tagged with an official state export tag. No person, who does not possess a fur buyer or taxidermist license with appropriate import documentation, shall have, **except** during the open season and for 10 days after the close of the season, any raw black bear pelt that does not have an official state export tag attached (either Idaho's or another state's official export documentation).
- A hunter may authorize another person to comply with the above requirements if that person possesses enough information to accurately complete the necessary form. Proxy required, see page 78.
- **Please thaw your black bear hide and skull before bringing it in for tagging or staff may not be able to complete check-in.**

Fish and Game's headquarters office is not equipped to check in bears. In the Boise area, these animals can be checked at the Fish and Game regional office in Nampa, (3101 S. Powerline Road, 208-465-8465) between 8 a.m. and 5 p.m. or by appointment at the Garden City facility, 109 W. 44th St., 208-327-7099.

Dump Grounds: No person may hunt or pursue a black bear at any time within 200 yards of the perimeter of any designated dump ground or sanitary landfill.

Special Tags

Second tags: Second tags for black bears may be used only in **Units 4, 6, 7, 9, 10, 12, 16A, 17, 19, 20, 20A, 26, 27** and that portion of Unit 16 north of the Selway River. Nonresident black bear tags for use in these units are available for \$31.75.

Nonresident Deer or Elk tags: A nonresident deer or elk tag may be used to tag a black bear, mountain lion or gray wolf, see page 86 for details.

Nonresident Reduced Bear Tags: Please see page 87.

Bait

Bait is any substance placed to attract game animals. Bait may be used to hunt black bear but only under the following conditions:

Time: No bait or bait containers may be placed for the purpose of attracting or taking black bears before the opening of black bear take season, except in Units 10, 12, 16A, 17, 19, 20, 20A, 26, and 27, where bait may be placed up to 7 days before the take season.

- All bait containers and materials must be removed, and all excavations refilled, no later than 7 days after the close of spring, fall, or dog training season.

Location: No bait site may be located within 200 feet of any water (lake, pond, reservoir, or year-round free-flowing stream or spring), or within 200 yards of any maintained trail or any road.

- No bait site may be located within one-half mile of any designated campground or picnic area, administrative site, or dwelling.

Bait: No parts of animals or fish that are currently classified as game animals or game fish in Idaho may be used as bait. This includes game animals and fish that come from the wild and commercial domestic sources (i.e., pen raised game birds/animals or hatchery raised game fish).

- The skin must be removed from any mammal parts or carcasses used as bait.
- No person shall use salt in any form (liquid or solid) for bait.

Containers: No bait may be contained within paper, plastic, glass, metal, wood, or other nonbiodegradable materials, **except** that a single metal container with a maximum size of 55 gallons may be used if securely attached at the bait site.

- No bait may be contained in any excavated hole greater than 4 feet in diameter.

Establishment of Bait Sites: Any structures constructed at bait sites and all materials must be removed by the permit holder within 7 days after the close of the spring and fall black bear seasons.

- All bait sites must be visibly marked at the nearest tree or on the bait container using a tag supplied by Fish and Game.

Baiting Permits: All persons placing bait must possess a baiting permit issued by Fish and Game. Baiting permits are issued by mail or in person from Fish and Game regional and sub-regional offices beginning March 1 of each year.

- Baiting permits will be valid in the calendar year for which they are issued.
- A hunter may possess only one Fish and Game baiting permit each year and may maintain up to three bait sites, except the number of bait sites maintained by outfitters

may be specified by the land management agency in the outfitter's operating plan.

- Bait site tags are valid for spring and fall seasons in the calendar year for which they are issued.
- No person may hunt over an unlawful bait site.
- Guides and clients of outfitters are not required to obtain a baiting permit, but they must have a copy of the outfitter's permit in their possession while hunting over a bait site.
- Possession of a Fish and Game baiting permit does not exempt the permit holder from any restrictions placed on users of federal, state or private lands.

Hound Hunting

Please see the section on hound hunting rules on Page 77.

Bear Identification

NEW! To prevent mistaken identity, bear hunters are encouraged to learn to identify black bears and tell them from grizzly bears in the wild. A bear identification training program is available on our website at: <http://fishandgame.idaho.gov/public/education/bearIdentification/>

This link is provided for educational purposes only.

Grizzly bears may be found in 3 areas of Idaho: the Panhandle in big game units 1, 2, 3, 4, 4A, 6, 7 and 9; the Bitterroot Mountains along the Idaho/Montana border in big game units 10, 12 and 17; and Southeast Idaho in the Yellowstone Ecosystem in big game units 60, 61, 62, 62A, 64, 65, 66 and 67.

For safety tips while hunting in grizzly bear country, taking the bear identification training program, and reporting grizzly bear observations, please visit the Fish and Game grizzly bear webpage at:

<http://fishandgame.idaho.gov/public/education/bearIdentification/>

2012-2013 Mountain Lion Hunting Seasons

General Rules

Kittens, Female With Young: Neither spotted mountain lion young nor female mountain lions accompanied by spotted young may be taken.

Evidence of Sex must be left attached to the hide of any mountain lion taken. For mountain lions, external evidence of sex (either scrotum, penis, or testicles for males, or vulva for females) must be left naturally attached to the hide until the mandatory check requirement has been satisfied.

Bag Limit: No person may take more than one mountain lion per legal tag in his or her possession.

Mandatory Check and Report: Any hunter killing a mountain lion must, *within 10 days of the date of kill (Note: where there is a female quota, hunters must report within 5 days):*

- Present the skull and hide to an Idaho Fish and Game conservation officer, regional office or other official checkpoint for removal and retention of a premolar tooth and to have the hide tagged with an official state export tag. No person, who does not possess a fur buyer or taxidermist license with appropriate import documentation, shall have, except during the open season and for 5 days after the close of the season, any raw mountain lion pelt that does not have an official state export tag attached (either Idaho's or another state's official export documentation).
- A hunter may authorize another person to comply with the above requirements if that person possesses enough information to accurately complete the necessary form. Proxy required, see page 78.
- **Please thaw your mountain lion hide and skull before bringing it in for tagging. Staff members may not be able to check a frozen hide or skull.**

Fish and Game's headquarters office is not equipped to check mountain lions. In the Boise area, these animals can be checked at the Fish and Game regional office in Nampa (3101 S. Powerline Rd, 208-465-8465) between the hours of 8 a.m. and 5 p.m. or by appointment at the Garden City facility, 109 W. 44th St., 208-327-7099.

Capturing Mountain Lions: No person may trap, snare or otherwise capture or hold any mountain lion.

Big Game Feeding Sites: It is unlawful to hunt or pursue mountain lions within one-half mile of any active Fish and Game big game feeding site.

Female Mountain Lion Quota

To find out whether the quota on female mountain lions has been met and the season has been closed in a particular management unit, call 1-800-323-4334. For more specific information about the number of female lions harvested and reported for each management unit, call a Fish and Game regional office or the headquarters office in Boise. See page 4, or <http://fishandgame.idaho.gov>.

Hound Hunting

Please see the section on hound hunting rules on page 77.

Special Tags

Second tags: Second tags for mountain lions may be used only in Units 10, 12, 16A, 17, 19, 20, 20A, 26, 27 and that portion of Unit 16 north of the Selway River. Nonresident mountain lion tags used in these units are available for \$31.75.

Nonresident Deer or Elk tags: A nonresident deer or elk tag may be used to tag a black bear, mountain lion or gray wolf, see page 86 for details.

Nonresident Reduced Mountain Lion Tags: Please see page 87.

Notes:

1. The take season in this/these unit(s) will remain open for either sex until the female quota is reached or the take season ends. After the female quota has been reached, the take season in this/these unit(s) will remain open for males only.
2. The take season in this/these unit(s) will remain open until the female quota is reached, or the take season ends, whichever comes first. For these units, a dog training season opens upon the closure of the unit to harvest where a harvest quota is met. If opened, the training season in any of these units shall close March 31.
3. Motorized vehicle use as an aid to hunting for mountain lion is restricted **August 30 through December 31** to established roadways open to motorized vehicle traffic capable of travel by full-sized automobiles - any motorized vehicle with a gross vehicle weight of 1,500 pounds. See page 79.

2012 Gray Wolf Hunting and Trapping Seasons and General Rules

General Rules

Wolf Harvest Limits: Harvest limits are established for some management zones. The wolf season in those zones will close immediately when the wolf harvest limit has been met.

To report a wolf harvest, call: 1-855-648-5558.

To find out which hunt zones are closed, call: 1-855-648-5558, or visit <http://fishandgame.idaho.gov/public/hunt/?getPage=266>.

For more specific information about the number of wolves harvested and reported for each management zone, call an Idaho Fish and Game regional office, headquarters in Boise, or go to the Fish and Game website at: <http://fishandgame.idaho.gov/public/hunt/?getPage=266>.

Evidence of Sex: Must be left attached to the hide of any wolf taken. External evidence of sex (scrotum, penis, or testicles for males, or vulva for females) must be left naturally attached to the hide until the mandatory check requirement has been satisfied. Either sex may be taken.

Tags: No person may take more wolves than the number for which he or she possesses legal tags. **Attention: The number of tags available for use are not the same throughout the state and are different for hunting and trapping. Hunters may purchase up to five gray wolf tags per calendar year. Certified wolf trappers may purchase up to five gray wolf trapping tags per trapping season.** Tags must be validated and securely attached immediately upon killing a wolf.

Big Game Feeding Sites: It is unlawful to hunt, trap or pursue wolves within one-half mile of any active Idaho Fish and Game big game feeding site.

Weapons Restrictions: Same as for other big game animals, see page 76.

Electronic Calls: Electronic calls may be used to attract wolves for the purpose of harvest.

Telemetry: It is unlawful to take wolves with the aid of radio-telemetry.

Dogs: Use of dogs to attract or pursue wolves is prohibited.

Retrieving Meat: Hunters and trappers are not required to retrieve meat from a harvested wolf. For tips on skinning a wolf, contact a regional Fish and Game office.

Wolves with Radio Collars: Idaho Fish and Game uses radio collars to monitor wolf activity, assess population status and help determine future hunting opportunity. Though it is legal to do so, Fish and Game encourages hunters to avoid harvesting radio-collared wolves. Hunters and trappers are required to return any radio collars when they check in their wolves.

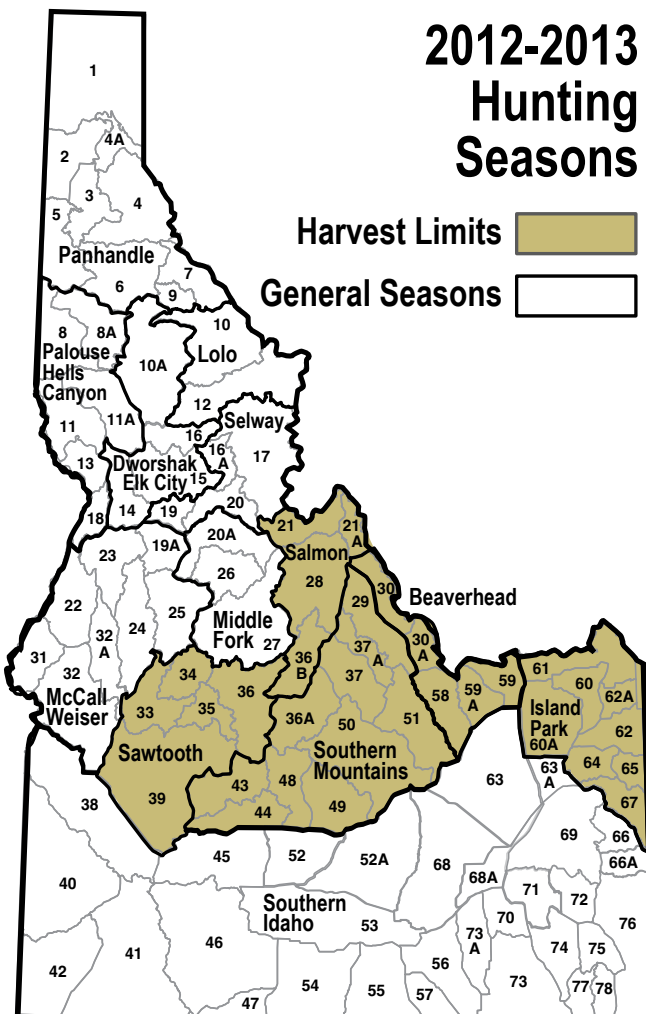

Mandatory Report and Check: Hunters and trappers must report killing a wolf **within 72 hours by calling the Wolf Reporting Number at 1-855-648-5558**. They must also within 10 days of the date of kill, present the skull and hide to a Fish and Game regional office or conservation officer for removal and retention of a premolar tooth and to have the hide tagged with an official state export tag. To have a raw wolf hide in their possession without an official export tag attached, a person must have a fur buyer or taxidermist license or appropriate import documentation, except during the open season and for 10 days after the close of the season.

A trapper or hunter may authorize another person to comply with the mandatory report, provided that person has enough information to accurately complete the necessary form. Proxy required, see page 78.

Please thaw your wolf hide and skull before bringing it in for tagging.

Wolf Hunting Rules

Wolf Tags: Hunters may buy up to five gray wolf tags per calendar year. **Attention: The number of tags available for use are not the same throughout the state.**

continued . . .

• No more than two gray wolf hunting tags may be used in the following zones: Salmon, McCall Weiser, Sawtooth, Southern Mountains, Beaverhead, Island Park and Southern Idaho.

• No more than five gray wolf hunting tags may be used in the following zones: Panhandle, Palouse-Hells Canyon, Lolo, Dworshak-Elk City, Selway and Middle Fork.

Tags must be validated and securely attached immediately upon killing a wolf.

Bait: Baiting or hunting big game over bait is illegal, except for black bears. Wolves may be taken incidentally to bear baiting. It is unlawful to hunt wolves within 200 yards of the perimeter of any designated dump or sanitary landfill.

Wolf Trapping Rules

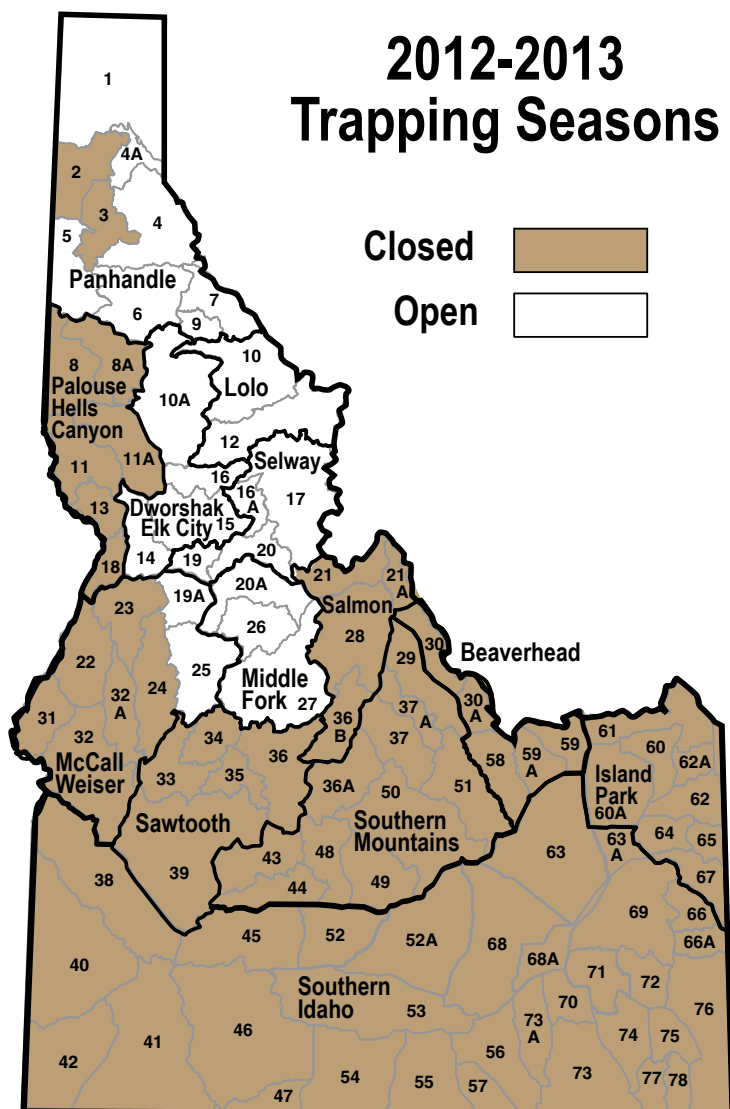

A person must have a trapping license and attend a wolf trapping class before purchasing tags for wolf trapping. Wolf trapping classes will be offered in all regions. Dates and times will be posted on the Fish and Game website: <http://fishandgame.idaho.gov/public/hunt/?getPage=266>.

Trappers must check traps at least every 72 hours, same as for furbearer trapping.

Wolf Tags: Trappers may buy up to five gray wolf trapping tags per trapping season for use in those zones with an open trapping season. **Attention: The number of trapping tags available for use are not the same throughout the state.**

• No more than three gray wolf trapping tags may be used in the McCall-Weiser zone.

• No more than five gray wolf trapping tags may be used in the following zones: Panhandle, Lolo, Dworshak-Elk City, Selway and Middle Fork.

In addition to the gray wolf trapping tags, certified wolf trappers may use wolf hunting tags, in zones in which both the hunting and trapping seasons are open at the same time. All hunting and trapping seasons and tag limits apply.

Methods of Take: Snares, with diverters and a break-away device or stop within the loop, and foothold traps with a jaw spread not to exceed nine inches are legal during wolf trapping season.

Bait: It is unlawful to use any part of a domestic or wild origin game bird, big game, upland game, game fish or protected nongame wildlife, or to use live animals as bait or an attractant; to use any set within 30 feet of any visible bait, except it is legal to trap wolves beyond 30 feet of a naturally killed big game species as long as the carcass is left undisturbed. It is unlawful to use a dirt hole set with bait unless the bait remains covered at all times to protect raptors and other meat-eating birds from being caught accidentally, or to trap wolves within 200 yards of the perimeter of any designated dump or sanitary landfill.

For additional trapping rules, see pages 41-43 of the Upland Game, Furbearer & Turkey rules.

Notes:

- The hunting season in these zone(s) will remain open until the harvest limit is reached, or the hunting season ends, whichever comes first.
- Motorized vehicle use as an aid to hunting for gray wolves is restricted **August 30 through December 31** to established roadways open to motorized vehicle traffic capable of travel by full-sized automobiles - any motorized vehicle with a gross vehicle weight of 1,500 pounds. See page 79.

Reminder - hunting tags are valid for a calendar year.

Hunter Tips to Avoid Conflicts with Carnivores

A few precautions can help avoid conflicts with wolves and other large carnivores:

- After a big game animal is harvested, it is wise to retrieve and quarter the carcass immediately.
- If it must be left in the woods overnight, hang the meat if possible, or skin it and cover it with a tarp or plastic and leave articles of clothing at the site.
- When a carcass is retrieved, hang it between two trees, preferably 10 feet off the ground to keep animals from reaching it.
- Hang meat away from camp and stock so that if a large carnivore comes to investigate the scent, it does not scare stock.
- Hound hunters should look for recent wolf sign before turning dogs out on a bear or lion track.
- To prevent conflicts between hounds and wolves, some hound experts recommend that dogs be kept on a leash while tracking until the track gets fresh.
- Hounds should not be allowed to keep an animal treed for very long, as the sound of the hounds may attract wolves.

Note:

1. Certified wolf trappers may use wolf hunting tags, in zones in which both the hunting and trapping seasons are open at the same time. All hunting and trapping seasons and tag limits apply. Reminder - hunting tags are valid for a calendar year. Trapping tags are valid for the trapping season.

To find out whether a wolf zone is closed, call **1-855-648-5558**.

Within 72 hours of harvesting a wolf, hunters and trappers must report it at **1-855-648-5558**.

Hunters and trappers must present hide and skull to a Fish and Game regional office within 10 days.

Wolves and other canids are known carriers of a parasitic tapeworm that is linked to hydatid disease in humans. Hunters are encouraged to wear rubber gloves when skinning canids and avoid handling canid feces.

WANTED: ALIVE!

Your Photos of Wolverines and Fishers

Fish & Game is looking for wolverines and fishers throughout Idaho. If you see a wolverine or fisher, or if you use a trail camera and capture images of either of these animals, Fish and Game wants to hear from you!

Descriptions

Wolverine:

32 to 52 inches long;
18 to 40 pounds;
Dark brown fur;
Two pale stripes extend
from neck to base of tail;
White or orange patches often
found on throat or chest

Fisher:

30 to 47 inches long;
4 to 12 pounds;
Brownish-black fur;
Small white patches
on chest and belly

IDAHO WILDLIFE SUMMIT

**Weekend of August 24, 2012
Riverside Hotel, Boise, ID**

Idaho's Wildlife Belongs to You!

If **you** care about wildlife and its future, you are **invited** to **help** Idaho Fish & Game.

- Get involved!
- Learn about challenges facing Idaho's wildlife
- Find common ground and shared interests with other wildlife enthusiasts
- Help Fish & Game stay responsive to changing needs and interests.

You do not need to be in Boise to participate!

The Summit will be live-streamed over the internet and Fish & Game plans to use technology at their offices throughout the state to provide opportunities to participate and interact.

Big Game Rules

General Wildlife Laws

(For complete laws and rules, see Idaho laws and administrative code http://www.state.id.us/laws_rules/)

All hunters must have a valid Idaho hunting license and the appropriate tags or permits in their possession while hunting.

Hunting Hours: Big game animals may be hunted only from one-half hour before sunrise to one-half hour after sunset.

Definition of Hunting: Hunting means chasing, driving, flushing, attracting, pursuing, worrying, following or on the trail of, shooting at, stalking, or lying in wait for any wildlife whether or not such wildlife is then subsequently captured, killed, taken or wounded.

Age Limit: Only properly licensed youths 12 or older may hunt big game, **except** an 11-year-old may buy a license to apply for a controlled hunt permit, but he or she must be 12 years old at the time of the hunt. A youth small game license available for hunters of age 10 and 11 is not valid for big game.

Bag and Possession Limits: A hunter may harvest only as many of a big game animal species as he or she has legal tags for in that year. Any animal harvested in a depredation hunt before a controlled hunt in the same unit for which the hunter holds a tag must be included under the limit and tagging rules of the controlled hunt permit. No person may take more than one animal per year during a controlled hunt season by using both a controlled hunt tag and a depredation tag.

Gifts of Wildlife: No person may possess more game animals, birds or fish taken within the state than allowed by personal possession limits.

Mandatory Report Requirements: All deer, elk and pronghorn hunters are required to complete a **Mandatory Hunter Report** for each tag they purchase. In 2010, mandatory hunter reporting moved to an entirely paperless system. Hunters are required to submit a report by phone or internet within 10 days after harvest. Hunters who do not harvest, or did not hunt with their tag, are required to report within 10 days after the close of the hunting season.

The best way to submit hunt information and the only way to get confirmation that the report was received is to report online. Go to: <http://fishandgame.idaho.gov>.

To submit by phone to a live operator, 24 hours a day, 7 days a week call toll free 1-877-268-9365.

Waste of Game

Hunters are required to remove and care for the edible meat of big game animals, except black bears, mountain lions and gray wolves. This includes the meat from hind quarters as far down as the hock, meat of the front quarters as far down as the knee and meat along the backbone which is the loin and tenderloin. It does not include meat of the head or neck, meat covering or between the ribs, internal organs, or meat on the bones after close trimming.

Wounding and Retrieving

No person shall wound or kill any big game animal without making a reasonable effort to retrieve it and reduce it to possession. It is unlawful to enter private property that is posted, cultivated or in irrigated pasture without landowner permission to retrieve game.

Electronic Calls

No electronic calls may be used to attract big game for the purpose of harvest, except such calls may be used to attract mountain lions, black bears and gray wolves in seasons where approved by Commission proclamation.

It is Unlawful To:

- Hunt or take any wildlife without a valid hunting license, or without required tag or permit in possession.
- Party hunt or help fill another person's tag.
- Shoot from or across the traveled portion, shoulders or embankments of any road maintained by any government entity.
- Hunt big game or game birds from or by the use of any motorized vehicle, **except** for holders of a valid handicapped person's Motor Vehicle Hunting Permit when vehicle is stopped and off public roadways. See Upland Game, Furbearer and Turkey rules brochure for other exceptions.
- Use any motorized vehicle to molest, stir up, rally or drive any game animal or game bird.
- Operate or use as an aid to hunting a motor vehicle in violation of area, trail, or road restrictions.
- Use aircraft to locate game or furbearing animals and communicate location to persons on the ground, or to use any helicopter to transport hunters, gear, or game except at established landing fields.
- Fail to stop – with or without fish or wildlife – at any Fish and Game check station encountered, even if your hunting, fishing or trapping activity occurred outside of Idaho.
- Fail to produce wildlife for inspection upon request of a conservation officer or other person authorized to enforce Idaho Fish and Game rules.
- Hunt any wildlife species with the aid of artificial light, except predatory and unprotected wildlife, see page 75.

Permit required from Idaho Fish and Game Regional office. See furbearer rules in Upland Game Seasons brochure for specific regulations and other exceptions.

- Hunt big game with dogs **except** for black bears and mountain lions. See page 77 for details.

- Transfer any license, tag, or permit or use another's license, tag, or permit.
- Acquire more controlled hunt tags per species than allowed by Commission rule.
- Destroy or disturb traps, or remove any wildlife from traps belonging to others.
- Enter Idaho with livestock without a health certificate for transport and a brand inspection slip.
- Intentionally interfere with the lawful taking of wildlife or lawful predator control by another.
- Hunt any game animal by means of baiting with the exception of applicable rules for the black bear baiting permit (See pages 58 and 59). Bait is defined as any substance placed to attract game animals, except liquid scent for deer and elk.
- Take big game with the aid of radio telemetry; use of telemetry equipment with hounds or other sporting dogs is allowed.

Areas Closed to Big Game Hunting:

- All state parks, except Farragut State Park and Farragut Wildlife Management Area, and Billingsley Creek at Malad Gorge State Park, Castle Rock State Park and state land within the City of Rocks National Reserve are open to all hunting.
- Part of the Craters of the Moon National Monument is closed to hunting. For information visit: <http://data2.itc.nps.gov/parks/crmo/ppMaps/national%20preserve.jpg>.
- Nez Perce National Historical Park in Clearwater, Idaho and Nez Perce counties.
- Harriman State Park Wildlife Refuge.
- That portion of Ada County between State Highway 21, Warm Springs Avenue, and the Boise City limits.
- Yellowstone National Park in Fremont County.
- State designated wildlife preserves (Myrtle Creek, David Thompson, and Lewiston).
- State wildlife management areas, bird preserves, bird refuges, and bird sanctuaries that have been closed to hunting by legislative or commission action.
- All or portions of national wildlife refuges, except as specified in federal regulations for individual refuges.
- All Snake River islands between Glens Ferry bridge and Sailor Creek bridge in Elmore County.
- Hagerman Fossil Beds National Monument in Twin Falls County, except that portion within an area 50 feet above the high water level of the Snake River. The upslope area is marked by yellow fiberglass markers, and hunting is permitted downslope to the river.
- Mountain lions and gray wolves may not be hunted or pursued within one-half mile of any active Idaho Fish and Game big game feeding site.

- Black bears may not be hunted or pursued within 200 yards of the perimeter of any designated dump ground or landfill.

Trespass Law

No person may enter private land to hunt, fish or trap or retrieve wildlife without permission if the land is either cultivated or posted with legible "No Trespassing" signs. Proper posting means either signs, 100 square inches of fluorescent orange paint, or an entire fluorescent orange metal fence post every 660 feet around the property and at reasonable access points.

Land that has been loosened or broken up in preparation for raising crops, used for raising crops or as irrigated pasture is considered cultivated.

It is unlawful for anyone to post public land that is not held under an exclusive control lease. Conviction of trespass on posted private property for the purpose of hunting, trapping or fishing carries a mandatory one-year revocation of hunting, fishing or trapping licenses.

Federal law prohibits unauthorized trespass on Indian-owned reservation lands for hunting, fishing, or trapping purposes.

Using Blinds on Public Lands - BLM

Hunting blinds on public lands managed by the Bureau of Land Management must meet the following criteria:

1. Construction materials – Portable pop-up blinds are encouraged. No permanent placement of materials is allowed, and all materials must be removable. Wire mesh, which may be hazardous to wildlife or livestock, is not allowed. Damage to natural and cultural resources by actions such as digging, trenching or other surface disturbances is prohibited. Cutting live vegetation to build, screen or camouflage blinds is discouraged.
2. Labeling – The hunter's full name and ZIP code must be permanently attached, etched, engraved or painted on the blind in an obvious location.
3. Placement dates – Blinds may be placed no earlier than 10 days before the beginning of the hunting season for which the hunter has a valid tag, and must be removed within seven days of the close of that hunting season.
4. Right of use – Blinds may be used by hunters on a first-come, first-served basis. Placement of a blind on public land does not create an exclusive right of use. Locking blinds is not allowed. Please be respectful of other hunters' blinds.
5. Wildlife or livestock developments – Diverting water, tampering with or modifying rangeland developments, such as watering troughs, reservoirs, springs, fences, or related structures or water sources, is prohibited. Hunters may not harass livestock or impede their access to water sources.

For more information, please contact the nearest BLM office.

Closed Seasons: There is **no open season** for caribou, bison (buffalo), grizzly bear or lynx. With the exception of bison, these species are protected under the Endangered Species Act.

Furbearers: Bobcats, badgers and red foxes are classified as furbearers and may be hunted or trapped only during the furbearer season. No open season exists for lynx, wolverines or fishers. See upland game and trapping rules.

Possession and Sale of Wildlife Parts: Lawfully harvested wildlife parts – except edible meat from game animals – may be purchased, bartered or sold when accompanied by a written statement showing said wildlife was lawfully harvested. If black bear, mountain lion or gray wolf parts – excluding tanned or finished rugs or mounts – are sold or bartered, a signed written statement showing the taker’s name, address, license and tag numbers, date and the location of kill must be provided to the buyer. Buyers must submit completed transaction statements to Idaho Fish and Game within 10 days of sale.

Wildlife parts legally harvested outside of Idaho may be possessed and sold in Idaho if such sale is not prohibited in Idaho or the state, province or country where harvested, or by federal law.

It is unlawful to possess any wildlife or parts that were killed, taken or obtained unlawfully.

Possession and Sale of Wildlife Found Dead: Protected species of wildlife that have died of natural causes are generally considered property of the state and may not be possessed. But parts of big game species – hides, horns, bones, antlers, elk teeth, bear, lion and wolf parts – may be recovered and possessed for personal use if the animal died of natural causes. Lawfully recovered and possessed parts – except horns from bighorn sheep – may be sold, transferred, purchased or bartered, when accompanied by a statement on how it was obtained.

Edible meat from game animals taken from the wild may not be purchased, bartered or sold.

Recovery, Possession and Sale of Bighorn Sheep Horns: Horns from bighorn sheep that have died of natural causes may be recovered and possessed. All bighorn sheep horns must be presented to Fish and Game for marking with a permanent pin within 30 days of recovery. It is unlawful to sell, barter or purchase bighorn sheep horns obtained under these circumstances, or to transfer ownership of recovered bighorn sheep horns without a permit from Idaho Fish and Game.

Predatory and Unprotected Wildlife: Coyotes, skunks, weasels, jackrabbits, raccoons and starlings are classified by Idaho law as predatory. Eurasian collared-doves, English sparrows and feral pigeons are unprotected. Predatory and unprotected wildlife may be taken in any number year-round and at any time by holders of the appropriate valid Idaho hunting or trapping licenses, provided such taking is not in violation of state, county or city laws, ordinances, rules or regulations.

Protected Nongame and Threatened or Endangered Species: No person shall take or possess wildlife species classified as Protected Nongame or Threatened or Endangered at any time or in any manner, except as provided in Sections 36-106(e)5 and 36-1107, Idaho Code, by Commission Regulation, or IDAPA 13.01.10.100.06b.

Livestock Health Certificate Requirement: Anyone bringing livestock or hunting dogs into the state should call the Idaho Department of Agriculture, 208-332-8540, for health certificate requirements.

Weed-Free Hay Requirement: On national forest lands or Idaho Fish and Game wildlife management areas, anyone using pack animals or straw in their camp must use only weed-free certified hay, forage or straw to prevent the spread of noxious weeds. To obtain an up-to-date list of local growers and vendors with noxious weed-free certified forage for sale, call the Department of Agriculture at 208-332-8592, or check: <http://www.idahoag.us/Categories/PlantsInsects/NoxiousWeeds/nwffs.php>. For more information on the Noxious Weed-Free Forage certification program visit: <http://www.idahoag.us/Categories/PlantsInsects/NoxiousWeeds/indexnoxweedmain.php>.

Prescribed Burning: Prescribed burning uses fire to restore forests and rangelands and improve conditions for wildlife. Prescribed fire may be planned in your hunting unit. **Stay informed.** Contact your local land management agencies.

Wildlife Violator Compact

Many states including Idaho have entered into a “Wildlife Violator Compact.” If your hunting, fishing, or trapping license is revoked by any of the member states, all the remaining states will revoke the same license or privilege for the same time period. In addition, any nonresident who does not satisfy the requirements of an Idaho citation will have his or her hunting and fishing license revoked in their home state until those requirements are satisfied. For information on the Compact and a list of member states, go to <http://fishandgame.idaho.gov>.

Boundary Waters Reciprocal Agreement

The Oregon-Idaho boundary water reciprocal agreement recognizes the legal right to fish, hunt or trap in the waters or on the islands of the Snake River where said river forms the boundary line between the state of Oregon and the state of Idaho by the holder of either a valid Oregon or Idaho license in accordance with the laws and rules of the respective state.

Weapon Restrictions

Rifle and Shotgun

In any hunt, including any-weapon seasons, it is unlawful to pursue or kill big game animals:

- By any means other than approved firearms, muzzleloaders and archery methods.
- With any electronic device attached to, or incorporated on, the firearm or scope; **except** scopes containing battery powered or tritium lighted reticles are allowed.
- With any firearm that, in combination with a scope, sling and/or any attachments, weighs more than 16 pounds.
- With any fully automatic firearm.
- With any shotgun using shot smaller than #00 buck.
- With any rimfire rifle, rimfire handgun, or muzzle-loading handgun, except for mountain lions.

Short Range Weapons

In big game seasons restricted to short-range weapons, it is unlawful for hunters to use any weapon other than a muzzleloader, archery equipment, crossbow, a shotgun using slugs or shot of size #00 buck or larger, or a handgun using straight-walled cartridges not originally developed for rifles.

Muzzleloader Caliber Requirements

In any hunt, including general any-weapon seasons and short-range hunts, it is unlawful to pursue or kill big game animals with any muzzleloading rifle or musket that is less than .45 caliber for deer, pronghorn, mountain lion or gray wolf; or is less than .50 caliber for elk, moose, bighorn sheep, mountain goat or black bear.

Muzzleloader-Only Season

Any person hunting in a muzzleloader-only season, including controlled hunts, must have in their possession a license with a muzzleloader permit validation. During a muzzleloader-only season, it is illegal to pursue or kill a big game animal with any firearm, muzzleloading pistol, or weapon other than a muzzleloading rifle or musket. In addition, the muzzleloading rifle or musket must be:

- Capable of being loaded only from the muzzle.
- Equipped with only open or peep sights. Scopes and any electronics are prohibited. **Except** hunters with a visual disability may apply for a permit to use nonmagnifying scopes. (Applications are available at Fish and Game offices.)
- Loaded only with loose black powder, loose Pyrodex, or other loose synthetic black powder. Pelletized powders are prohibited.
- Equipped with a single or double-barrel.
- Loaded with a projectile that is within .010 inch of the bore diameter. Sabots are prohibited.
- Loaded with a patched round ball or conical non-jacketed projectile comprised wholly of lead or lead alloy.
- Equipped only with a flint, percussion cap or musket cap. 209 primers are prohibited.
- Equipped with an ignition system in which any portion of

the cap is exposed or visible when the weapon is cocked and ready to fire.

For additional information about muzzleloader equipment visit our website at <http://fishandgame.idaho.gov/public/hunt/rules/?getPage=299>

Archery Equipment

In any hunt, including general any-weapon seasons and short-range hunts, it is unlawful to pursue or kill big game animals:

- With arrows or bolts having broadheads measuring less than 7/8 inch in width and having a primary cutting edge less than 0.015 inch thick.
- With any bow having a peak draw weight of less than 40 pounds up to or at a draw of 28 inches.
- With an arrow or bolt wherein the broadhead does not precede shaft and nock.
- With any chemicals or explosives attached to the arrow or bolt.
- With arrows or bolts having expanding broadheads.
- With arrows or bolts having barbed broadheads, which is a broadhead with any portion of which forms an angle less than 90 degrees with the shaft or ferrule.
- With any electronic or tritium-powered device attached to an arrow, bolt or bow. **Except** disabled archery permit holders may use a nonmagnifying sight with battery powered or tritium lighted reticles.
- With any bow capable of shooting more than one arrow at a time.
- With any compound bow set at more than 85 percent let-off.
- With an arrow or bolt, and broadhead with a combined total weight of less than 300 grains.
- With an arrow less than 24 inches from broadhead to nock inclusive.
- With a bolt (crossbow) less than 12 inches from broadhead to nock inclusive.

Archery-Only Season

Any person hunting in an archery-only season, including controlled hunts, must have in their possession their license with archery permit validation. During an archery-only season, it is illegal for hunters to use any firearm or implement other than a longbow, compound bow or recurve bow in compliance with general archery equipment requirements, or:

- Any bow equipped with magnifying sights.
- Any device that holds a bow at partial or full draw. **Except** hunters possessing a disabled archery permit may use a device that holds a bow at partial or full draw. (Applications for the use of devices holding a bow at partial or full draw by disabled hunters are available at Fish and Game offices.)
- Any crossbow. **Except** disabled hunters possessing a permit may use a crossbow. (Applications for the use of crossbows by disabled hunters are available at Fish and Game offices.)

Hound Hunting Rules

Dogs

Dogs may be used to pursue black bears or mountain lions in either an open take season where use of dogs is allowed, or during a dog training season open for bear or mountain lion. Pursuit is allowed regardless of whether a black bear or lion already has been harvested. During a dog training season, black bears or lions may be pursued and treed, but may not be captured, killed, or possessed. Dogs may not be used to take or pursue any other big game species.

Any dog found running at large and actively tracking, pursuing, harassing, attacking or killing any big game animal, **except** black bear and mountain lion, may be destroyed without criminal or civil liability by the director of Fish and Game, any peace officer, or other persons authorized to enforce Idaho wildlife laws.

The use of one blood-trailing dog controlled by leash during lawful hunting hours and within 72 hours of hitting a big game animal is allowed to track wounded animals and aid in recovery. A hound hunter permit is not required.

Hound Hunter Permit

When dogs are being used to hunt black bears or mountain lions, the following persons must have a valid hound hunter permit and a black bear or mountain lion tag for the current year in possession:

- Anyone who owns pursuit dogs.
- Anyone having control of dogs owned by another person.
- Anyone who harvests a black bear, mountain lion, bobcat, raccoon, or fox with the use of dogs. **Except**, clients of licensed outfitters are not required to have a hound hunter permit.

Resident hound hunter permits may be obtained from any license vendor. There is no limit on the number of resident hound hunter permits.

Limitation on hound hunter permits for nonresidents:

Nonresidents who want to apply for hound hunter permits should notify the license section at Fish and Game headquarters office in October. Permits for the following year are issued in December. Applications are available on the Fish and Game website. No more than 70 nonresident hound hunter permits will be issued to nonresident hunters who are not licensed outfitters (see exceptions for Middle Fork and Selway zones). Nonresident outfitters and guides who have obtained a hound hunter permit shall not use the permit for personal hunting. Sales of nonresident hound hunter permits to the following persons shall not be counted in the quota for nonresidents:

- **Persons who have moved into Idaho** and by notarized affidavit show proof of their intent to become bona fide Idaho residents but are not yet qualified to buy a resident license.

- **Middle Fork Zone:** Persons who hound hunt solely in game management units within the Middle Fork elk zone (Units 20A, 26, and 27).
- **Selway Zone:** Persons who hound hunt solely within the Selway Zone (Units 16A, 17, 19, and 20). A total of 40 permits will be issued for Units 16A, 19, 20, and all of Unit 17, excluding Hunt Area 17-1 which will have 6 permits. Hunt Area 17-1 is defined as that portion of Unit 17 south of the following boundary:

Beginning at the junction of the Unit 17 boundary and Forest Service Trail 24, then west along Forest Service Trail 24 to the Selway River, then north along the Selway River to Forest Service Trail 40, then southwest along Forest Service Trail 40 to Forest Service Trail 3, then west along Forest Service Trail 3 to the Unit 17 boundary.

Hound Hunter Alert: Selway and Middle Fork zones are wilderness areas. Vehicle access is restricted and rugged terrain can make pursuit extremely difficult. Contact the local Forest Service office for maps showing trails and access. Wolves may be present in any game management unit.

Tagging and Transporting Game

Proper Tagging and Transportation of Animals and Meat

Immediately after any deer, elk, pronghorn, black bear, mountain lion, or gray wolf has been killed, the hunter harvesting the animal must comply with the following regulations regarding the proper tagging, transportation and shipment of a carcass:

- The appropriate big game tag must be validated and securely attached to the animal immediately after the kill. The validated tag must remain attached to the carcass until the meat is processed and reaches the place of final storage or personal consumption.

Note: Immediately after the kill, the triangles denoting the month and day must be cleanly and completely removed.

How to Properly Validate a Big Game Tag.

Hunters must completely remove two notches indicating month and day of kill.

Tearing, slicing or punching the tag is not legal.

Proper location of tag:

- Deer, elk and pronghorn: Attach to the largest portion of the carcass.
- Black bears, mountain lions or gray wolves: Attach to the hide.

Any license, tag or permit that is defaced or altered is invalid from the date and time of issue. It is unlawful to use or attempt to use any license that has been defaced or altered.

Transportation issues:

Any person who transports any wildlife for another person or receives any wildlife for cleaning, processing, as a gift, or for storage must have a written proxy statement signed by the person who killed the animal specifying the numbers and kinds of wildlife, date taken, hunter's name and address, license, tag and permit numbers. The proxy form below is provided for your convenience.

PROXY STATEMENT (To transport wildlife taken by another person)

Preserving Evidence of Sex:

Deer, elk and pronghorn: If the head or antlers are removed, evidence of sex in the form of testicles, penis, scrotum, udder or vulva must remain naturally attached to the carcass or parts thereof on all harvested big game animals until they reach the final place of storage or personal consumption, or a commercial meat processing facility.

Antlers or horns removed from the head must be left naturally attached to the skull plate where size, point or brow-tine restrictions apply, and they must accompany the carcass or parts thereof.

Black bears, mountain lions and gray wolves: External evidence of sex in the form of testicles, penis, scrotum or vulva must be left naturally attached to the hide until the mandatory check requirement has been satisfied.

In seasons restricted to mule deer only or white-tailed deer only, if the head is removed, the fully-haired tail must be left naturally attached to the carcass until it reaches the final place of storage or personal consumption, or a commercial meat processing facility.

Roads, Trails, Motor Vehicles and Wildlife

What You Need to Know

Motor vehicles, from pickups and SUVs to motorcycles and ATVs, have changed hunting and some of those changes have created challenges for hunters, land managers and wildlife. Consider the following:

- Roads that are open to motor vehicles increase access into big game habitat, and, as a result, the number of hunters increases. Generally, the number of hunters in an area is directly related to the number of roads.
- The combination of more hunters and their increased mobility in roaded areas increases the vulnerability of deer and elk to harvest. Deer and elk in a heavily roaded area are more likely to be killed during the hunting season, and for that reason these areas have fewer old bulls or bucks. It also means that hunting seasons have to be shorter to prevent over harvest.
- Research shows that slow moving vehicles on primitive roads and trails are more disturbing to elk than fast moving vehicles on highways. Slow moving vehicles traveling cross-country have the same effect. Deer and elk often flee from the sound of motor vehicles and may leave the area.
- Cross-country travel with motor vehicles can create a network of new travel ways that cause erosion, spread noxious weeds, and damage fish and wildlife habitats. Much of this cross-country travel occurs during the hunting season. To reduce these impacts, Idaho's land and wildlife

managers ask all hunters using motorized vehicles to stay on roads and trails and use designated routes where they are established. Do not travel cross-country with a motor vehicle.

Look for Designated Routes on Public Lands

- The U.S. Forest Service and Bureau of Land Management have already established designated routes in several areas of Idaho. Please pay attention to the travel system in the areas you hunt.

For more information about travel management on Idaho's Federal lands, contact these offices or websites:

- U.S. Forest Service 208-373-4007 website: www.fs.fed.us.
- Bureau of Land Management 1-888-246-7523 or 208-373-4000 or website: www.id.blm.gov
- Idaho Department of Parks and Recreation online mapping application: <http://trails.idaho.gov>

Access management helps wildlife and hunters. Please observe established road closures and access restrictions. Report road closure violations by calling 1-800-632-5999, or any Idaho Fish and Game, BLM or U.S. Forest Service office.

Motor Vehicle Use

Wisely managing roads, trails and motor vehicles will:

- Yield more old bucks and bulls.
- Permit more hunting opportunity.
- Allow longer seasons.
- Decrease erosion.
- Reduce conflicts.
- Reduce damage to habitat and the spread of noxious weeds.

Best of all, it will make hunting better.

Remember!

- Observe road closures and access restrictions.
- Say no to cross-country travel.
- Stay on roads and trails open to motorized travel.
- Use designated routes where they're established.
- Follow Idaho's Motorized Vehicle Restriction Rule.

Motorized Hunting Rule

To resolve many hunters' concerns about off-road travel, the Fish and Game Commission has adopted restrictions on motor vehicle use while hunting big game. The restricted units are: 29, 30, 30A, 32, 32A, 36A, 37, 37A, 39 (muzzleloader hunt only), 45, 47, 49, 50, 51, 52, 52A (muzzleloader hunt only), 53, 56, 58, 59, 59A, 66, 66A, 69, 70, 72 (late season), 73, 75, 76, 77, and 78.

Motorized Hunting Restrictions

The use of motorized vehicles by hunters as an aid to hunting big game animals is restricted in certain areas. This use restriction is in addition to all federal, state and local laws,

rules, regulations, ordinances and orders; including, but not limited to, any motorized vehicle licensing, registration, and permitting requirements and traffic laws. Hunters must comply with all motorized vehicle limits or prohibitions instituted by the landowner or land manager. Also, this use restriction rule is not an exception from, and is in addition to, the statutory prohibition against hunting from or by the use of any motorized vehicle set forth in Idaho Code Section 36-1101(b)(1).

Use Restriction. In designated areas and hunts, hunters may use motorized vehicles only on established roadways that are open to motorized traffic and capable of being traveled by full-sized automobiles. Any other use by hunters is prohibited. All off-road use by hunters is prohibited.

Exceptions. This use restriction rule shall not apply to the following permissible motorized vehicle uses:

- Holders of a valid Handicapped Person's Motor Vehicle Hunting Permit may use a motorized vehicle as allowed by the land owner or manager.
- Hunters may use a motorized vehicle to retrieve downed game if such travel is allowed by the land owner or manager.
- Hunters may use a motorized vehicle to pack camping equipment in or out if such travel is allowed by the land owner or manager, but hunters may not hunt while packing camping equipment.
- Private landowners, their authorized agents and persons with written landowner permission, may use a motorized vehicle on their private land, but they may not hunt from or by the use of any motorized vehicle.

Restricted Areas and Hunts

This motorized vehicle use restriction applies to identified areas and hunts in all big game management units. Hunts and areas with a motorized vehicle use restriction are identified in each big game season and rules brochure.

Defined Terms

- A full-sized automobile is any motorized vehicle with a gross weight in excess of 1,500 pounds.
- An established roadway is as any road built, maintained, approved or designated by any government entity or private landowner for the purpose of travel by full-sized automobiles. An established roadway shows evidence of repeated use by full-sized automobiles, and may include a traveled way of natural earth with depressed wheel tracks and little or no vegetation in the tracks.
- A hunter is a person engaged in the activity of hunting as defined in Idaho Code Section 36-202(j). *"Hunting" means chasing, driving, flushing, attracting, pursuing, worrying, following after or on the trail of, shooting at, stalking, or lying in wait for, any wildlife whether or not such wildlife is then or subsequently captured, killed, taken, or wounded. Such term does not include stalking, attracting, searching for, or lying in wait for, any wildlife by an unarmed person solely for the purpose of watching wildlife or taking pictures thereof.*

Owyhee Wilderness

The Omnibus Public Lands Management Act of 2009 designated 517,000 acres of public lands in Owyhee County in southwestern Idaho as Wilderness. Please be aware of the wilderness boundaries and regulations. For more information see: http://www.blm.gov/id/st/en/prog/blm_special_areas/owyhee_initiative.html

Most Common Hunting Violations:

- Possession and transportation of big game without evidence of sex – evidence of sex must be naturally attached to the carcass or largest portion of meat if boned. See page 79.
- Possession and transportation without proxy statement – a proxy statement is required to transport wildlife taken by another person. See page 78.
- Failure to properly validate and attach tag to big game. Tag must be validated and attached to the carcass immediately following a kill. See page 78.
- Failure to stop and report at a check station. All hunters, with or without game, **must stop** and report at each check station they encounter during their travel to and from their designated hunting location.
- Shooting from or across public highway right of way. This is a public safety issue for both the shooter and people traveling on the highway.
- Hunting or taking game in a closed season. It is the hunter's responsibility to know season opening and closing dates, what species and sex may be taken and hunt boundaries.
- Wrong Class License. A hunter or angler is required to purchase and possess the correct class of license. See page 101 for residency requirements.
- Transfer of license or tag to another. Party hunting or killing an animal for somebody else to put their tag on is illegal.

HIGHWAY RIGHTS-OF-WAYS

Highway rights-of-way: the entire width between the boundary lines of every highway publicly maintained when any part is open to the use of the public for vehicular travel, the jurisdiction extending to the adjacent property line, including sidewalks, shoulders, berms and rights-of-ways not intended for motorized traffic. No person shall shoot from a public highway or discharge any firearm from or across a public highway.

Special Vehicle Restrictions:

State and federal agencies and private landowners have established road closures in key big game areas to protect deer and elk populations. Please check with regional Idaho Fish and Game, Forest Service or Bureau of Land Management offices for information regarding vehicle restrictions on roads, trails, and unroaded areas.

What is a Controlled Hunt?

It is a hunt with a limited number of tags in a specific area for a specific species. It is like a general season, but the number of hunters is limited. Controlled hunts are often desirable because of location and timing, and success rates are usually higher than general season hunts. Controlled hunt tags are allocated by a random drawing. Any hunter with a valid Idaho hunting license may apply, with some restrictions. The odds of drawing a tag depend on the number of other applicants and the number of tags available. To participate in a controlled hunt, a hunter must have a **hunting license**. The hunter also must buy a **tag** for the hunt in which he or she was drawn.

To apply, see instructions on page 83. Controlled hunt applications may be submitted at any hunting and fishing license vendor, Fish and Game office, with a credit card by calling 1-800-55HUNT5 or online at <http://fishandgame.idaho.gov>.

(Rules for moose, bighorn sheep and mountain goat controlled hunts are covered in their own brochure.)

Eligibility: Any person with a valid Idaho hunting license may apply, subject to the following restrictions:

- Holders of a nongame hunting license may **not** apply for any controlled hunt.
- A person who has applied for a bighorn sheep, mountain goat, or moose controlled hunt may not apply for any other controlled hunt in the same year, **except** unlimited controlled hunts, a controlled black bear hunt, controlled turkey hunt, extra deer, extra elk, or extra pronghorn controlled hunts, or a designated depredation hunt. In addition, applicants for bighorn sheep, mountain goat or moose controlled hunts are eligible to participate in the second deer, elk and pronghorn application period and in first-come, first-served deer, elk and pronghorn controlled hunt tag sales.
- A person whose name was drawn in an antlered-only controlled deer hunt may **not** apply for any other controlled antlered-only deer hunt for one year **except** for the second deer, elk and pronghorn application period and leftover controlled hunt drawings or sales.
- For example, a hunter who drew a tag in an antlered-only deer hunt in 2011, cannot apply for another antlered-only deer hunt until 2013, in the first application period. However, they can apply for another antlered deer hunt in the 2012 season during the second application period.
- This waiting period also applies to antlered-only controlled elk hunts.
- There is **no** waiting period to apply for any other deer, elk, pronghorn or black bear controlled hunt tags. The one-year waiting period does not apply to controlled hunts with an unlimited number of tags or Landowner Appreciation tags.

Tags: No person may participate in any controlled hunt without a valid controlled hunt tag in their possession. Tags issued based on erroneous information are invalid, and may **not** be used. Fish and Game will notify the person if the tag has been invalidated. The person will remain on the drawn list, and if there is a waiting period in a succeeding year, the person will be required to wait the specified time period. Controlled hunt tags may not be exchanged for general season tags.

Any person whose name is drawn in a controlled hunt for deer or elk is prohibited from hunting in any other hunt for the same species (archery, muzzleloader or general), **except** when the hunter has been selected in a controlled extra tag or depredation hunt drawing, or has purchased a leftover nonresident general season tag for that species at the nonresident price.

Nonresident Tag Limitations: In controlled hunts with 10 or fewer tags, not more than one nonresident tag may be issued. In controlled hunts with more than 10 tags, **except** unlimited controlled hunts, not more than 10 percent of the tags may be issued to nonresidents. **Note:** If a resident applies for a controlled hunt on a group application with a nonresident, and the 10-percent nonresident limitation has been met, the entire group application will be rejected, including any residents.

Restrictions:

- Only one application per person or group will be accepted for the same species, **except** a person may apply for one extra deer hunt and one extra elk hunt.
- Several applications may be submitted in a single envelope (see the controlled hunt worksheet, page 83) as long as each application is for a single species.
- Two, three or four hunters applying together for the same deer, elk or pronghorn controlled hunt is considered a group application.
- Two hunters applying together for the same black bear or turkey controlled hunt is considered a group application.
- If a group application exceeds the number of tags available in a hunt, that application will be rejected.

Youth only: Some controlled hunts are limited to youths only. Only hunters under 18 years of age with a valid license may apply for a youth-only hunt, **except** hunters 65 or older, or possessing a disabled combination license may buy a leftover youth-only controlled hunt tag, first-come, first-served, beginning at 10 a.m. Mountain Time, August 25.

Application Instructions

To Complete the Application Worksheet: Enter the complete **hunt number** of your first and second (optional) choice. Controlled hunt numbers are found in the left hand column of the controlled hunt tables. The hunt numbers are subject to change each year so be sure to use this 2012 Big Game Seasons brochure when applying for any deer, elk or pronghorn controlled hunt in 2012 or January 2013. The spring 2013 black bear controlled hunts are also listed in this brochure.

Each hunting license has an 11-digit number. Enter the complete hunting license number.

Group Applicants: Two hunters may apply on the same application for turkey, spring and fall black bear, moose, sheep, or goat. Up to four hunters may apply on the same application for deer, elk, or pronghorn.

Unreadable, Incomplete Applications: Any application that is unreadable, has incomplete or incorrect hunt or license numbers, or that lacks the required fee will be declared void and will not be entered in the drawing.

Any person desiring to change an application after it has been submitted may cancel it at a regional Fish and Game office or headquarters. You must pay all fees again when re-applying.

Drawing results: It is the responsibility of the hunter to find out whether he or she was successful in drawing a controlled hunt.

Controlled Hunt Worksheet Application

Application worksheets may be mailed, with proper fees, to any Fish and Game office, see page 4.
The main office is Idaho Department of Fish and Game, P. O. Box 25, Boise, ID 83707.

Controlled Hunt Application

Applications may be submitted electronically at any Fish and Game license vendor; made using a credit card by calling 1-800-55HUNT5 or on the Internet at <http://fishandgame.idaho.gov>. Application worksheets may be mailed, with proper fees, to any Fish and Game office (see page 4). The main office is Idaho Department of Fish and Game, P. O. Box 25, Boise, ID 83707.

Use the worksheet page 83 to speed up the application process. Fill in the blanks with your hunting license and controlled hunt numbers before you apply.

Fees

Applicants for controlled hunts for deer, elk, pronghorn or black bear must submit a nonrefundable application fee with each application. **The fee is \$6.25 for each resident and \$14.75 for each nonresident applicant for each species;** \$1 of this fee may be designated for the Citizens Against Poaching program.

A single payment, either cashier's check, money order, certified check or personal check, may be submitted to cover fees for all applications in the same envelope when using the controlled hunt worksheet and applying by mail. If a payment is insufficient to cover fees, all applications will be voided.

Do not mail cash.

Do not include tag fees with controlled hunt application.

Phone applications for controlled hunt drawings for deer, elk, bear, or pronghorn may be processed by using Visa, MasterCard, or Discover cards, and calling: 1-800-554-8685. The charge for processing phone-in applications is **3 percent of the transaction plus \$5.50**, in addition to the nonrefundable application fee.

Internet applications may be made on the Fish and Game website at <http://fishandgame.idaho.gov>. Internet charge is **3 percent of the transaction plus \$3.50**, in addition to the nonrefundable application fee.

Drawing Results

Applicant Notification: All successful applicants, except those applying for spring black bear, will be sent a post card at the address listed on their hunting license by July 10. Successful spring black bear applicants will be notified by mail no later than March 10. Results also will be available on the Fish and Game website, <http://fishandgame.idaho.gov>. Unsuccessful applicants will not be notified.

Successful applicants for deer, elk, fall black bear or pronghorn controlled hunts must purchase their controlled hunt tag not later than August 1, at any license vendor, Fish and Game office, through the Internet, or by telephone at 800-554-8685. Maps of controlled hunt areas are available at Fish and Game regional offices.

Applicants who already have a general season tag must return it to a Fish and Game office to be exchanged for the appropriate controlled hunt tag.

Nonresident hunting license holders who already have tags will be notified to send them in for exchange.

Lifetime license (Certificate) holders with nonresident tag privileges, who already have tags, will be notified to send them in for exchange.

Unclaimed Tags: All deer, elk or pronghorn controlled hunt tags not picked up by August 1 will be entered into a second controlled hunt drawing.

Leftover Controlled Hunts

Second drawings: To ensure everyone has equal opportunity at leftover and unclaimed controlled hunt tags, there will be two drawings for deer, elk, pronghorn and fall black bear hunts. All unclaimed tags, and all leftovers, (does not include unlimited hunts) will be available for a second drawing on August 20. The application period is from August 5 to 15.

Any tags left over after the second drawing will be sold first-come, first-served. The 10 percent nonresident limitation shall not apply. **Applicants for a leftover tag must submit the application fee.**

Nonresident quotas and waiting period restrictions do not apply in the second drawing or leftover sales.

Leftover controlled hunt tags from the second deer, elk, pronghorn and fall black bear drawing go on sale August 25.

Leftover controlled hunt tags for spring black bear go on sale April 1.

Mark your calendar for:

- **May 1 - June 5** – First deer, elk, pronghorn, fall bear application period.
- **July 10** – Winners of first deer, elk, pronghorn drawing notified by this date.
- **August 1** – Last date to purchase tags from first deer, elk, pronghorn, fall bear drawing.
- **August 5-15** – Second application period for deer, elk, pronghorn, fall bear.
- **August 25** – Winners of second drawing for deer, elk, pronghorn, and fall bear will be notified by this date.
- **August 25** – Leftover tags from second deer, elk, pronghorn, bear drawing go on sale at 10 a.m.
- **August 28** – Residents or nonresidents may buy a leftover nonresident general season deer or elk tag at full nonresident price starting this day, as a second tag.

Unsuccessful applicants may participate in general hunts where appropriate tags are available.

Refunds and Overpayment

Refunds: Fees for hunting licenses will not be refunded to unsuccessful or ineligible applicants. Application fees for controlled hunts are not refundable.

Overpayments: Overpayment of fees of more than \$5 will be refunded.

Overpayments of \$5 or less will **not** be refunded and will be retained by Fish and Game.

Extra Deer and Elk Hunts

All controlled deer and elk hunt areas designated by an “X” are extra deer or elk hunts, usually for antlerless deer or elk. Hunters may apply for a regular controlled hunt and a controlled hunt designated for extra deer and elk tags on a separate application. For example, you may apply for a regular controlled hunt and send in a second controlled hunt application for an X hunt. Hunters also may buy a general deer and elk tag, and apply for an X hunt. If you draw a tag for an X hunt, you could harvest a deer or elk during the general season and a second deer or elk in the extra controlled hunt.

Unlimited hunts

Unlimited hunts are controlled hunts in which only those who apply during the regular controlled hunt period can obtain a tag.

Special Hunts, Tags and Permits

Depredation Hunts

Special controlled hunts are sometimes used to relieve big game damage problems on agricultural crops. If these hunts are needed, they will be held on short notice, involve small areas and be limited to a few hunters.

How Can I Participate?

If you are an Idaho resident with a valid hunting or combination license, fill out the form on page 86 and mail it to the regional office in the area(s) you are willing to hunt. You, and a partner if you like, may apply for deer, elk, pronghorn, and black bear. However you may only apply once for each species, each year. You don't need to apply for all four species in the same region. These forms may be copied if necessary.

All applications received before June 30 will be placed in random order. All applications received after June 30 will be placed at the end of the list in the order received. The list will be valid from July 1 to the following June 30.

What Are My Chances of Drawing A Depredation Hunt Tag?

Most regions issue only a handful of depredation tags each year. If a controlled antlerless or doe/fawn hunt is open or about to open in the depredation area, holders of those tags will be given the first option to participate in the depredation hunt. After antlerless or doe/fawn controlled hunts have ended, participants will be selected in order from the depredation hunt list.

Generally, applications received after June 30 have little chance of being selected.

Landowner Permission Hunts

These hunts are a form of depredation hunts. They are established in areas with chronic depredation problems where depredation hunts are an annual occurrence. Do not apply for these hunts during the controlled hunt application period. Instead, Landowner Permission Hunt forms (a triplicate form provided by Fish and Game) are provided to landowners prior to the season or upon verifying a depredation problem that cannot be resolved by non-lethal means. Landowners can then provide the permission form to sportsmen. Landowners and sportsmen must fill out and sign their respective portions of the forms. Sportsmen must provide one copy of the form to the landowner and bring the remaining two copies to the Nampa, McCall, Jerome, Pocatello, or headquarters Fish and Game office where they can purchase their controlled hunt tag after July 15.

Idaho National Laboratory (INL) Elk and Pronghorn Permit

A pass is required from the Idaho Fish and Game office, 4279 Commerce Circle, Idaho Falls, to hunt elk in the Lemhi, Beaverhead or Snake River Elk Zones or pronghorn in Units 51, 58, or 63 within one-half mile inside the north and east boundary of the Idaho National Laboratory, which is adjacent to agricultural land. Hunting of all other species on INL land is prohibited.

Landowner Appreciation Program Tags

Idaho Code authorizes the Idaho Fish and Game Commission to establish a limited number of controlled hunt tags for landowners that provide important wildlife habitat values for deer, elk, or pronghorn. Landowner Appreciation Program tags are made available, through a drawing process, in areas where hunting opportunity is limited to controlled hunts as partial recognition for landowners supporting wildlife and maintaining the hunting heritage. Landowners with at least 320 acres that provide significant habitat values for deer, elk or pronghorn are eligible to apply for any leftover tags after the first drawing. LAP tags are in addition to tags available in regular controlled hunts. In most cases, LAP tags are set at an additional 10 percent of the regular controlled hunt level. In a few areas, such as Units 40, 41, 42, 45, and 52, the Commission has authorized LAP tag levels at an additional 25 percent of regular controlled hunt levels for some species. Landowners registered in the program apply through a separate drawing held during June - July and may or may not successfully draw depending on the number of landowners applying and the number of tags available. If successful, a landowner may designate his or her tag to another individual.

Idaho state law prohibits selling or marketing landowner appreciation tags.

For additional information concerning LAP, including land registration, application process, and landowner eligibility rules, visit the Fish and Game website at <http://www.fishandgame.idaho.gov>.

Other Tag Information

Exchanging Deer or Elk Tags: Hunters may exchange general season elk tags for use in another zone at any Fish and Game office. Deer hunters may exchange a general season deer tag for a white-tailed deer tag at any Fish and Game office. **The exchange must be completed before the first hunt opening date of the tag you currently in possess.** For elk general seasons with a tag quota, exchange must be made before the quota has been met. **Only one exchange is allowed.** A fee of \$3.75 will be charged.

Resident Youth General Elk Tag

Resident youth elk hunters who purchase a general season elk zone tag while they are between ages 12 and 17, inclusive, may participate in any A or B tag elk season within the specified zone, regardless of whether they purchased an A tag or B tag. All other season, weapon restrictions, and commission rules apply. Controlled hunts are excluded.

Nonresident Deer, Elk Tag for Bear, Mountain Lion or Gray Wolf

Nonresident deer and elk tags, **excluding** Nonresident Junior Mentored deer or elk tags, are valid to take a black bear, mountain lion or gray wolf, if a season is open for that species, instead of a deer or elk where and when the deer or elk tag is valid, and there is an open deer or elk season in that same unit. Hunters may buy other bear, lion or wolf tags, but after the deer or elk tag is used to harvest a deer, elk, black bear, mountain lion, or gray wolf, a second deer or elk tag may not be purchased – except by buying a leftover nonresident deer or elk tag when available.

Resident Purchase of Nonresident Deer or Elk Tag

Residents or nonresidents may buy one unsold general season nonresident deer tag and/or elk tag at the nonresident price starting August 28, to be used as a second tag. This second nonresident general season deer or elk tag may also be used to tag a black bear, mountain lion or gray wolf instead of a deer.

Nonresident Reduced Bear and Mountain Lion Tags

In the Lolo, Selway, or Middle Fork Zone units (Units 10, 12, 16A, 17, 19, 20, 20A, 26, and 27), and in that portion of Unit 16 north of the Selway River, nonresidents may use reduced bear or reduced mountain lion tags, available at the discounted price of \$31.75. Reduced bear and reduced mountain lion tags are valid **only** in these units. *To hunt bears and lions in any other unit, hunters must purchase a regular bear or lion tag at the regular price.*

Hunters who have already purchased a bear or lion tag at the regular price will not get a refund to purchase a reduced tag.

Nonresident Tag Quotas: There is a quota on nonresident deer and elk tags. Quotas may be exceeded under the following conditions:

- Persons who have moved into Idaho and are establishing residency who can, by affidavit, show proof of their intent to become bona fide residents, but are not yet fully qualified to buy a resident license, may purchase a nonresident deer tag and nonresident elk tag through the headquarters or regional offices.
- Fish and Game may, upon receipt of an unused nonresident deer or elk tag and a notarized affidavit stating that the tag

buyer has not hunted, issue an additional tag to provide a hunting opportunity within the nonresident hunter quota before the opening of the season for which the tag is valid as follows:

- To another nonresident designated by the buyer.
- If the buyer does not make a choice and has retained an outfitter or guide, the outfitter or guide may make the designation.
- If no designation is made by the above, Idaho Fish and Game may sell the replacement tag on a first-come, first-served basis. The designated buyer will pay the regular fee for the replacement tag.

Note: Nonresident tags may sell out early.

The **IDAHO ATLAS AND GAZETTEER**, a copyright product of DeLorme Maps, has 1:250,000 topographical maps of the state, lists of campground, access areas, boat docks, parks and other facilities. It is sold at the manufacturer's suggested price plus Idaho sales tax, for a total of \$19.95. Using the Atlas along with the more detailed single-sheet maps for the area of specific interest gives the visiting hunter or angler an excellent reference for the entire state, as well as fine detail in the immediate area of your planned camp or other location.

Licenses, Permits and Fees

To Buy a License, Tag or Permit:

- In person, go to any Idaho Fish and Game office or license vendor throughout the state.
- By credit card, within the United States call 1-800-554-8685. Outside the U.S., use the Internet or mail. A service fee of 3 percent of the transaction plus \$5.50 is added for this transaction.
- On the Internet, go online to <http://fishandgame.idaho.gov>. A service fee of 3 percent of the transaction plus **\$3.50** is added for this transaction.
- Commercial licenses, duplicate tags, documents that require proof of disability, lifetime licenses, and bear baiting permits may be purchased only at Fish and Game offices.

When buying licenses by telephone, the buyer, on request, will be assigned a validation number, which may be used in lieu of the actual license for 14 days from the date of issue. The information must be read exactly as it appears on the license. When this number is used in lieu of the license, the person must carry their driver's license or identification card. A validation number may not be used in lieu of a tag. Purchasers must wait until tags or permits arrive.

Call 208-334-3700 for more information.

Any license, tag or permit that is defaced or altered is invalid from the date and time of issue. It is unlawful to use or attempt to use any license that has been defaced or altered.

Nonresidents: If you hunt with an outfitter in Idaho, the outfitter should buy your tags through the "outfitter set-aside" pool of tags. No outfitter should suggest that you buy your own tags from the general nonresident pool of tags.

Sale Dates: Licenses and tags go on sale December 1 of each year, but resident tags are not available until after the deer, elk and pronghorn controlled hunt drawings in July. All licenses are valid only in the calendar year for which they are issued.

Hunter Education

- To buy a hunting license, all hunters must show proof that they have completed a hunter education course if they were born on or after January 1, 1975, unless they have held a hunting license from Idaho or another state or country.
- To buy an archery permit, all bowhunters must possess a valid hunting license and show proof they have completed an approved bowhunter education course or show evidence of having been licensed for an archery-only hunt in Idaho or another state, or complete an affidavit to that effect.

- The Hunter Education Course includes 15-17 class hours plus a two- to four-hour range and live-fire exercise. The curriculum includes training in firearms safety, basic archery safety, hunting ethics, wildlife management, conservation, survival, regulations and a final written exam.
- The Bowhunter Education Course averages 12 class hours plus a field exercise. Subjects include bowhunting equipment, techniques, safety, shot placement, ethics, treestand safety, outdoor preparedness and the state final exam.
- Independent study courses include a workbook option and an internet-based course for hunter education and internet-based course for bowhunter education as alternatives to the traditional classroom courses for students 10 years or older. There is a small additional cost for the Internet courses that is paid directly to the course provider. All independent study courses require the successful completion of an additional 6 to 7 hour scheduled field day. Course and registration information can be found on the Hunter Education Program page of the Idaho Fish and Game website at <http://fishandgame.idaho.gov> or obtained from a regional Fish and Game office. It is highly recommended that individuals planning to participate in fall hunts register for a course early in the year and before June 30. Hunter education and bowhunter education classes are taught by volunteer instructors who, like other hunters, want to be afield early in the hunting season. **The number of classes and independent study course field days available becomes very limited because of a decrease in instructor availability close to and during the hunting season.** Individuals with disabilities may request reasonable accommodations or obtain additional information by contacting the Fish and Game State Hunter Education Coordinator's office, 600 S. Walnut St. Boise, ID 83707, phone 208-334-3746, or toll free at 1-866-285-1544 or through the Idaho Relay Service at 1-800-377-2529 (TDD) or email: ron.fritz@idfg.idaho.gov.

Refund Policy: No refunds will be made on resident licenses, tags or permits. Nonresident hunting license and tags may be refunded less issuance fees and a \$50 processing fee, in the event of:

- Illness or injury that disables a license holder for the entire applicable hunting season
- Military deployment of license holder due to armed conflict.
- Death of the license holder or his or her parent, spouse or child.

Tags and license must be returned with proof (death certificate, obituary, written justification by a licensed medical doctor, or copy of military orders). Hunting license fees will not be refunded after the license is used to apply for a controlled hunt or to buy a turkey,

mountain lion, bear or gray wolf tag. The request must be postmarked by December 31 of the year in which the license was valid, except for “event of death” refund, which must be submitted within 1 year of the death.

A controlled hunt permit and tag may be made available in the same hunt for purchase by an immediate family member of a person who died before using his or her permit, and whose family had the fees refunded. Contact Fish and Game Licenses at (208) 334-2592.

If a refund is requested for any other reason, only the permit and tag fees (not the license fee) may be refunded at the following sliding scale rate:

- Postmarked before April 1 – 75 percent refund.
- Postmarked April 1 through June 30 – 50 percent refund.
- Postmarked July 1 through August 31 – 25 percent refund.
- Postmarked September 1 through December 31 – No refund.

Your Social Security Number is Safe: The 1998 Idaho Legislature required that all applicants for licenses issued by the state, including hunting or fishing licenses, tags and permits, must give their Social Security number for a license or permit to be issued. The Idaho Privacy Law protects your Social Security number. It is considered confidential, **will not** be printed on your license and **will not** be given to any private person or organization.

Residency Requirements

A previous year’s license is not proof of residency. Proof of residency is required to buy any resident license.

1. Drivers must present: Any person who is a driver must have a valid Idaho driver’s license and must have been domiciled in the state of Idaho for the last six months prior to purchasing a resident license, tag or permit.
2. Non-drivers must present: An Idaho identification card issued by the Department of Transportation; or a combination of two documents bearing your name and address but not issued by yourself.

Examples include:

- Home utility bills for the previous six months.
- Rent receipts or mortgage statements for the previous six months.
- Notarized statement from an employer on business letterhead.
- Proof of voter registration dated six months prior.
- For a minor child under 18, identification from a parent.

3. Military members: A member of the military service of the United States or a foreign country, state national guard or Air National Guard, together with spouse and children under 18 years of age, residing in his/her household, who have been officially transferred, stationed, domiciled and on active duty in the state of Idaho for a period of 30 days last preceding application, as long as such assignment continues, is eligible to purchase a resident license.

To show eligibility you need: A current “Military Status and Residency Affidavit” signed by first sergeant, section commander or commander; or a current request and authorization for permanent change of station showing a ‘report no later than’ date within the last 60 days; or a combination of two documents given in number two (2) above dated thirty (30) days prior.

This is a summary of residency requirements, for additional details see Idaho Code 36-202(S) and 36-405; <http://www.legislature.idaho.gov/idstat/Title36/T36.htm> or contact your local fish and game officer. **Persons who do not qualify as residents must purchase a nonresident license.**

Special Resident Permits

Anyone certified as eligible for federal supplemental income (SSI), social security disability income (SSDI), railroad retirement board disability, a nonservice-connected veteran's pension, or a service connected veteran's disability benefit with 40 percent or more disability, may qualify for a "disabled" license. Bring current year documentation when applying. Disabled licenses may be purchased at Fish and Game offices, selected license vendors (see website for list), and through the mail.

Resident Lifetime License Certificates

Regardless of your age, purchase of a lifetime license could be the best investment you ever make. Lifetime combination hunting and fishing licenses authorize all privileges associated with a corresponding annual license. These licenses are valid for the lifetime of the license holder and are available to all Idaho residents. If a lifetime certificate holder moves out of Idaho, they will continue to receive an annual license, but they will have to pay nonresident tag and permit fees. The lifetime certificate does not include tags and permits. Lifetime certificates can be purchased at Idaho Fish and Game headquarters and regional offices only.
